[Scott Jessen PRA Request REDACTED-c1.pdf](#)

Dear Mr. Jessen,

Pursuant to Government Code Section 6254(f), the City is required to produce the following information:

- o The time, substance, and location of all complaints or requests for assistance received by the agency;
- o The time and nature of the response to the complaints or requests for assistance received by the agency, including:
 - The time, date, and location of occurrence;
 - The time and date of the report;
 - The name and age of the victim (unless victim requests confidentiality under certain circumstances);
 - The factual circumstances surrounding the crime or incident; and
 - A general description of any injuries, property, or weapons involved.

The City chooses to provide this information by way of redacting incident reports rather than providing the information by way of summary.

Attached is the City's responsive record.

Please contact me if I can assist you further.

Sincerely,
Terea Johnson
Hermosa Beach Police Department
